Erin Nortrup, M.S.W.
Senior Program Manager, Access to Care
AIDS United
Washington, D.C.

Erin Nortrup currently serves as the Senior Program Manager for Access to Care with AIDS United. Working in the HIV care and prevention field for over ten years, she also served as Support Services Director for The Cascade AIDS Project in Portland, Oregon. Earlier work in community-based organizations includes serving as Director of Programs at the Sexual Minority Youth Assistance League in Washington D.C., managing all direct services programs, including HIV testing and counseling, prevention interventions and linkage to care for lesbian, gay, bisexual, transgender and questioning youth ages 13-21. Ms. Nortrup's local work in public health includes serving as a Public Health Supervisor in Clackamas County, managing HIV prevention, school-based health centers and tobacco prevention programs. She is a licensed clinical social worker and completed the Robert Wood Johnson Foundation's Ladder to Leadership program for emerging community health leaders in 2010-2011.

Freddie Smith, M.P.H.
Program Services Coordinator
Alameda County Behavioral Health Care Services
Oakland, California

Freddie Smith has served for over 30 years in public health clinics and community health centers focused on providing primary care and behavioral health care services to underinsured and uninsured residents. Currently, he is completing the final month of a four year term on the Collaborative Community Planning Council under the Office of AIDS Administration - Alameda /Contra Costa Counties Transitional Grant Area (TGA). His administrative work spans the areas of personnel, policies and procedures, budget preparation and monitoring, and compliance with state and federal government licensing regulations. He also served six years on the West Oakland Health Council Board of Directors in Oakland, California. Mr. Smith's Master's Degree is in Public Health, Administration and Planning from the School of Public Health, University of California Berkeley.
